Your answers are important
Population-census surveys are conducted every year among a part of the population. This year, the survey concerns you. Economic and social stakeholders now have access, every year, to recent information on the population and dwellings. Because a better knowledge of changes in French society is useful to all, your participation is essential. Thank you.

Your answers are confidential
Your answers will serve to prepare statistics in which neither your name nor your address will appear. However, we need your name and address to make sure that dwellings and people are counted once and only once, and to ensure the good quality of the statistics produced.

How to complete the questionnaires?
Start with this document. Then complete an individual form for each permanent occupant of the dwelling.

To make the questionnaires easier to read automatically, please write very legibly.

Do not use a pencil or white corrector fluid.

To answer the questions:
- tick the appropriate box
- enter one digit per box
- write very legibly

Do not cross out the other boxes, even if the question does not concern you.

Do not fold the questionnaires.
