Joint effort to improve digital skills and supporting employees working remote.

KRISTIN GOA, COMM AND CHRISTINE ROKKAN, HR
Why use digital collaboration tools, when we mainly work at the office?
Working remote was a game changer for digital collaboration

March 11.
On March 12, the national lockdown is announced in Norway.

March 11.
- Information how to access Statistics Norway from home

March 12.
- Teams is promoted as the tool for collaboration

March 18.
- We need webinars! And we have a
Way forward to the new normal
