**Task Team on Communication**

In September 2023, the CES Steering Group on Statistics for SDGs re-established a Task Team on Communication. The objective of this team is to improve effective communication of the role and provision of statistics for SDGs to various stakeholders and thereby support implementation of the 2030 Agenda.

**Statement of Purpose**

**Products**

The Task Team is organizing bi-weekly Communication Fortnights on various topics around Communication of SDG Statistics and builds up - partly through these meetings - a repository of Communication Resources.

**Members**

**Countries:** Poland (co-chair), Portugal (co-chair), Albania, Austria, Belgium, Brazil, Hungary, Iceland, Ireland, Lithuania, South Africa, Switzerland, United Kingdom, United States

**Agencies:** UNIDO
