## Communication Fortnights

The Communication Fortnights are regular informal gatherings of the re-established Task Team on Communication, about specific topics in SDG Data Communication (e.g. annual publications, VNRs, data visualisation, social media, etc). Fortnights start with a short presentation from a Task Team Member followed by informal discussion. The summaries of these sessions are prepared by the Task Team co-chairs and published below.

1st Fortnight - 11 May 2023 - SDG series of publications (Ireland)
- Summary, Presentation

2nd Fortnight - 25 May 2023 - Voluntary National Review, Statistical Annexes (Switzerland)
- Summary

3rd Fortnight - 9 June 2023 - Data Visualization and Data Stories (South Africa)
- Summary, Presentation

4th Fortnight - 22 June 2023 - Data Visualization for Environmental Indicators (South Africa)
- Summary, Presentation

## Communication Toolkit for the Road Map 2.0

The Communication Toolkit includes materials (infographics, videos, a hashtag, social media taglines and graphics) to promote the second edition of the Road Map for Statistics on SDGs and its key messages.

## Results from the 2018 SDG Communication Questionnaire

The communication questionnaire is a principal output of the original Task Team on Communication for SDG Statistics.
