1) Basic Information

Training material title
Practical Guide to Seasonal Adjustment With Demetra+
Brief description and comments
<p>Practical Guide was presented at a UNECE Workshop on Seasonal Adjustment, Ankara, 20 – 23 February 2012 (see http://www.unece.org/index.php?id=28196 for all papers from the workshop).</p> <p>Practical Guide suggests an overall process for performing seasonal adjustment and explains the related concepts. It brings together international recommendations for producing high quality time series, performing seasonal adjustment and disseminating the results.</p> <p>, , , 20-23 2012 (. http://www.unece.org/index.php?id=28196).</p> <p>, . , .</p>
Main category
Economic Statistics
