

European Network for Better Establishment Statistics Home

Welcome to the space of ENBES

This space is accessible to all with an account at UNECE Confluence. Some areas of it (News and Events, and About ENBES) are accessible to general audience.

The space consists of three areas

To each of the three areas a discussion forum is attached

News and Events

[Read about what's new in ENBES](#). Information about the [workshop on coordinated sampling, EESW19](#), the European Establishment Statistics Workshop 2019, [Short Courses offered at EESW19](#), as well as papers and presentations from [EESW19](#), are in this area.

Scientific Repository

[Upload your paper or report, or browse through other people's research.](#)

Wikipedia

[Contribute to wikipedia on establishment statistics, or consult it.](#)

Additionally, you can find general information about ENBES in the [About ENBES](#) section of the space, majority of which is viewable by anyone on the Internet.

Stay in touch!

[ENBES sends out occasional newsletters providing information about ENBES and selected developments in the field of establishment statistics. If you want to receive our newsletter, please join our email list by clicking anywhere in this text, and you will be taken to our form.](#)

Contact

To reach out to ENBES, just write to info@enbes.org.
