Minor change in explanatory text for Information Provider and Provision Agreement

Information Provider

Replace agree in "The two parties use a Provision Agreement to agree the Data Structure and Referential Metadata Structure of the data to be exchanged via an Exchange Channel."

with agree upon ie "The two parties use a Provision Agreement to agree upon the Data Structure and Referential Metadata Structure of the data to be exchanged via an Exchange Channel."

Provision Agreement

Replace agree in "The parties also use the Provision Agreement to agree the Data Structure and Referential Metadata Structure of the information to be exchanged."

with agree upon ie "The parties also use the Provision Agreement to agree upon the Data Structure and Referential Metadata Structure of the information to be exchanged."
