Uses of GSBPM

Survey on the use of GSBPM

- Survey on use of ModernStats Models (questionnaire) conducted by HLG-MOS Supporting Standards Group (GSBPM v5.0; Presented at ModernStats World Workshop, 2018-04)

Mapping specific processes to GSBPM

- Applying the GSBPM to Business Register Management (GSBPM v5.0; Presentations from a workshop in Estonia, 2014-12)
- Mapping data production processes to GSBPM - 5 examples of mapping GSBPM (GSBPM Workshop, NSO Malta, 2014-09)
- Using GSBPM to document the population census in Armenia (paper; UNESCAP Practical-Advisor Workshop Moscow, 2012-04)

Using GSBPM for managing Statistical Programs

- Excel sheet for process/survey documentation (ModernStats World Workshop 2019) (GSBPM v5.1)
- Statistical Training Framework aligned to the GSBPM (GSBPM v5.0)
  - Statistical Training Framework aligned to the GSBPM (2018-01)
  - Excel matrix for Statistical & End User IT Training Framework (2018-01)
  - Presentation (Presented at ModernStats World Workshop, 2018-04)
- Using the GSBPM in Practice (GSBPM v5.0; Presented at GSBPM Workshop, NSO Uzbekistan, 2017-11)
- GSBPM used for review of survey costs, reform of incentive pay - Israel experience on GSBPM (MedStat training on GSBPM in Rome, 2017-07)

Examples of models, tools and guidelines derived from GSBPM

- Checklist for SDMX Design Projects (GSBPM v5.0)

Country experiences

- GSBPM: 12+ years of implementation - New Zealand experience on GSBPM (GSBPM v1.0-v5.0; presented at ModernStats World Workshop, 2018-04)
- The experience of INEGI developing a GSBPM Procedural Ruling - Mexico experience on GSBPM (v5.0; presented at ModernStats World Workshop, 2018-04)
- Statistical Service of Cyprus Questionnaire for documenting the processes in accordance with the GSBPM (GSBPM v5.0)
- Israel experience on GSBPM (GSBPM v5.0; presented at MedStat training in Rome, 2017-07)
- Palestine experience on GSBPM (GSBPM v5.0; presented at MedStat training in Rome, 2017-07)

Implementation roadmap

- Modernisation Maturity Model (MWW) - see GSBPM Self-Assessment Criteria for description of GSBPM implementation levels
- MMM Roadmap Tools

GSBPM and other standards

- GSBPM and other international standards (GSBPM v5.0; Presentation from Istat at MedStat training on GSBPM, 2017-07)
