Task Team on Capacity Development

In December 2017, the CES Steering Group on Statistics for SDGs established a Task Team on Capacity Development. The objective of this team is to lead work on understanding regional statistical capacity development needs for the SDGs and beyond, and to develop practical tools to enable country-led, sustainable capacity development.

Statement of Purpose *(February 2018)*

Terms of Reference *(June 2018)*

Work Programme *(August 2018)*
