The Statistical Modernisation Community is a collaborative partnership of statistical organisations, created as an initiative of the UNECE High-Level Group for the Modernisation of Official Statistics (HLG-MOS). It is open to all producers of official statistics.

The partners in the Statistical Modernisation Community publicly endorse this Statement of Intent.

The current list of partners (in alphabetical order) is:

- Australian Bureau of Statistics
- Central Bureau of Statistics (Netherlands)
- Central Statistics Office (Ireland)
- Eurostat
- Hungarian Central Statistical Office
- INEGI (Mexico)
- Istat (Italy)
- OECD Statistics Directorate
- Puerto Rico Institute of Statistics
- Statistical Office of the Republic of Serbia
- Statistical Office of the Republic of Slovenia
- Statistics Canada
- Statistics Korea
- Statistics New Zealand
- Statistics Poland
- Statistics Sweden
- Statistical Office of Montenegro
- UNECE Statistical Division

If your organisation would like to endorse the Statement of Intent, and thus become a partner in the Statistical Modernisation Community, please contact support.stat@un.org
