

European Network for Better Establishment Statistics Home

Welcome to the space of ENBES

News and Events

Read about what's new in ENBES as well as access pages and materials from past ENBES events: [papers and presentation slides from EESW19](#) are available; dates and place for EESW21 have been set:

September 14-17, 2021, in the Hague, the Netherlands; and more.

Scientific Repository

Contribute your paper or report, or browse through other people's research. To contribute, please send an email to the scientific repository editors, repository@enbes.org.

Additionally, you can find general information about ENBES in the [About ENBES](#) section of the space.

Topical Papers

This area displays papers which may be of interest in the current climate, to producers and users of statistics. If you have any papers or reports which would be suitable, please send an email to repository@enbes.org.

1st Author Surname	1st Author Name	Affiliation	Country	Other Author's Full Names	Title	Date	Status	Document
Brand	Martin	UK Office for National Statistics	United Kingdom		Methodological Issues Arising for the Office for National Statistics from the Recession	2009/09	EESW09	2009S1_2_Brand.pdf
