

# Give Feedback to SDMX Working Groups / secretariat

In order to compile "lessons learned" for future implementations and improve the standards, please inform the SDMX working groups about issues faced in your implementation that would require improvements or clarifications, either of the technical standard or the statistical guidelines:

- Feedback on technical standards: [twg@sdmx.org](mailto:twg@sdmx.org)
- Feedback on SDMX statistical guidelines: [swg@sdmx.org](mailto:swg@sdmx.org)
- Feedback on the overall SDMX initiative and governance: [secretariat@sdmx.org](mailto:secretariat@sdmx.org)
