Working Groups

The work of the Steering Committee is supported by three ENBES working groups :

Working group on Workshops

Goal: Plan and carry out scientific and organisational aspects of the next round of the European Establishment Statistics Workshop (together with the local organising committee).

Members: Daniel Assoulin (Swiss Federal Statistical Office, Switzerland), Wim Kloek (Eurostat), Vanessa Torres van Grinsven (Utrecht University /Statistics Netherlands), Haritz Olaeta Goiriena (Basque Statistical Office, Spain), Jacek Kowalewski (Central Statistical Office of Poland), Tomasz Klimanek (Statistical Office in Pozna, Poland).

Working group on Communication

Goal: To enable and support spreading of information, networking and cooperation within ENBES in periods between the workshops.

Members: Irena Bolko (University of Ljubljana, Slovenia), Deirdre Giesen (Statistics Netherlands), Alexia Meyermann (Bielefeld University, Germany), Ria Sanderson (UK Office for National Statistics).

Working group on Network Expansion

Goal: To enable expansion of ENBES by seeing that all groups of stakeholders (official statistics, academic, organisations, private sector) are represented in a balanced way in ENBES and are actively invited to take part in ENBES activities.

Members: Mojca Bavdaž (University of Ljubljana, Slovenia), Shirley Coleman (Newcastle University, UK), Boris Lorenc (Statistics Sweden), Kieran Walsh (Central Statistics Office, Ireland).
