

GSIM Version 0.3

Following the successful conclusion of the first GSIM Sprint, the High-Level Group for Strategic Developments in Business Architecture in Statistics authorised the release of version 0.3 of the GSIM document for public consultation.

GSIM Version 0.3

(Russian translation of GSIM v0.3 Executive Summary provided by UNESCAP)

NEW: Feedback on GSIM Version 0.3

Many thanks to all the reviewers who provided formal feedback on GSIM version 0.3. It was a valuable input to the second GSIM Sprint. A disposition log was created during the Sprint 2 to show how the comments were addressed in GSIM Version 0.4.
