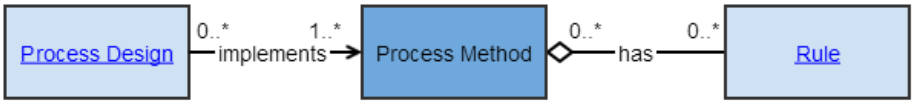
Process Method



Definition

Object	Group	Definition	Explanatory Text	Synonyms
Process Method	Business	A specification of the technique which will be used to perform the unit of work.	The technique specified by a *Process Method* is independent from any choice of technologies and/or other tools which will be used to apply that technique in a particular instance. The definition of the technique may, however, intrinsically require the application of specific *Rules* (for example, mathematical or logical formulas). A *Process Method* describes a particular method for performing a *Process Step.*
