

Teachers

Concept	Teachers -
Definition	Teaching professionals teach the theory and practice of one or more disciplines at different educational levels, conduct research and improve or develop concepts, theories and operational methods pertaining to their particular discipline, and prepare scholarly papers and books. The number of teachers is disaggregated according to education levels of enrolment. Education levels are classified using the ISCED 1997. Primary education corresponds to level 1, secondary education corresponds to levels 2, 3 and 4 and tertiary education corresponds to levels 5 and 6.
